Deadlines Concerning C. S. Graduate Students

This form will help advisors and advisees organize their plans and fill out the C.S. Student Progress Review Questionnaire.

Students are entitled to be informed in advance about all of their obligations and, in so far as is possible, about the faculty's expectations of them. To the following degree requirements may be added, as appropriate, course requirements, conference submissions, grant proposals, drafts of a program paper or thesis, trials of devices, etc. Deadlines must take predictable absences into account.
